October 23, 1952

Council met in regular session, the meeting having been recessed from Oct. 16, Present: Mayor Gresli in the chair, Councilmen present: Wills, Gregory and Fairweather.

Minutes of previous meeting read and approved.

The Council approved the transfer of the site of the Fairweather "H" license from its former location to its new site in the Marble Building.

The request of L. D. Hook for a new water connection to his upper lot on Trask Street was granted.

Councilman Gregory brought to the attention of the council the desire of the Ocean Power and Light Co. for a reduction in water rate owing to the fact that the local plant is now on a "stand by" basis only, and that the rate was felt to be too high. A general discussion was had to what would be a proper rate and expressions varying from $5.00 to $9.00 were given. An ordinance amending the existing rate was given first reading with the question of final rate adjustment to be made at time of passage.

Ord 250

The Town Marshal and Sheriff appeared to discuss with the town Council the matter of enforcement of ordinances relative to cars with defective mufflers and the riding of bicycles upon the sidewalks. The Council advised the officers that publicity would be given relative to a "crack-down" on such violators and that an enforcement thereof would be supported.

The Marshal was authorized to attend a Police Instruction Course to be given in Bellingham on November 17th.

Ord 248

Ordinance 248 was given 2nd reading. Motion was duly made that 2nd reading be considered the 3rd and that said ordinance be passed as read. Motion carried.

Clerk.

Special Meeting of Council Tuesday March 24, 1953.

Present, the Mayor and all Councilmen.

A letter from W. P. Harper & Son & Co., offering to make a financial survey of the town relative to the issuance of Water Revenue Bonds was read and considered by the Council.

Mr. Wells moved that the Town Officers be authorized to endorse an acceptance of said offer upon said letter and return same to the writer, and that the Council would at its next Regular meeting pass a resolution confirming such action. This was seconded by Mr. Gregory, and the motion was then placed for a vote with the Mayor requiring each Councilman to individually vote thereon. The vote was unanimous with all five councilmen voting.

Mr. Wm. Hutchins, diver, presented a proposition to the Town that he would place in position the defective section of sewer main damaged by the "North Star," on the basis of $150.00 per diem for each 6 hour work period, actually 4 hours only being expended in labor, and the sum of $50.00 as Moving fee for equipment, and made estimate that same could be done in two days. That if the work could not be completed at one period because of lack of "shoes" he would install them later without charge, this because he was anxious to do the job now. On motion by Workman, seconded by Wells, this offer was accepted.

Mr. Genest read to the Council a letter from the U.S., relative to possible compromise of the $6,000.00 advanced planning fee received by Mr. Batcheller.

There being no further business the meeting adjourned.

Council met in regular session, Mayor Gresle in the chair.

Councilmen present: Workman, Nash, Jensen, Fairweather and Gregory.

Also present; Atty. Geneste, Treas. Cahail, Mar. Bridges and H.E. Price, also Engineer Kramer.

Minutes of previous meeting read and approved.

The Treasurers monthly report was read approved and ordered placed on file.

Mr. Price appeared before the council asking for a reduction or an adjustment of the water rate for the Eureka Apartments.

Price water rates adjustment

After considerable discussion, it was moved by Nash, seconded by Workman, that whereas heretofore no record was kept of the tenancy within an apartment owned by Herbert E. Price and Margaret Price resulting in said owners complaining that they have been overcharged, and a compromised figure of $154.50 has been agreed upon, that the Town Treasurer be authorized to accept said sum in full payment of all claims for water serviced to said Premises to January 1, 1954, providing the same be paid within one (1) week. Motion carried unanimously.

Motion was made by Nash, seconded by Workman, to the end that proper billing of service of water to the apartment on West Street owned by Herbert E. Price, et.ux. may be made that said owner shall notify the Town Treasurer on the first day of each month, of the number of tenants in said apartments for the current month, and that the Treasurer shall charge said property accordingly, and that unless such notice be given the Treasurer shall charge each month for all four units. Motion carried

In order for the town to save on construction costs, and upon the recommendation of the Town Engineer, it was moved by Councilman Gregory, seconded by Councilman Fairweather, that the Town Water Commissioner, and Engineer, are authorized to proceed with the balance of the water contract (Project No 2) on a force account basis, and to hire personnel and equipment as may be necessary to proceed with the work in the most efficient and economical manner. Motion carried.

It appearing to the Council from the report of the Town Engineer that the present wood water main is in such poor condition and could break at anytime, leaving the Town without a supply of water for fire or domestic purposes, it was moved by Councilman Jensen, seconded by Councilman Workman, that the Superintendent of Water, and Engineer, obtain three quotations for 2,000 feet of ten-inch steel pipe, and order from the lowest tender said pipe on Town Purchase Order, each order being for less than $500. Motion carried.

Motion was made that Mr. Price's offer to convey all lots in Improvement District No. 19 be accepted in payment of delinquent assessments.

Motion was made that above motion be tabled until next meeting. Motion carried.

Resolution No. 201. was presented to the effect that the work of the Valley Construction Company be accepted, as outlined by the Engineers. Said Resolution was adopted.

Motion was made that the claims O.K'ed by Carey & Kramer, be allowed. Motion carried.

Council met in regular session with Mayor Al W. Lindberg in chair.

Councilmen present: Alan Carter, Alton Scribner, Ross Ertter and Nourdine Jensen

Also present: Attorney E.A. Geneste and Marshal Sam Bridges.

Minutes of previous meeting read & be approved as read

Letter of resignation of Virgil W. Fritts, City Clerk, read.

Resolution #209 — A Resolution of Regret over Resignation of Virgil W. Fritts as Town Clerk and Expression of Appreciation of Services read and adopted on a motion by N. Jensen and seconded by A. Carter.

Appointment of Clerk — The Mayor then appointed Myrtle A. Lowell as City Clerk, who was then sworn in to take office as of August 1, 1957.

P.P.&L. & Street Lights — The matter of Arcas Power & Light Company regarding rates & street lights was brought up. Attorney Geneste informed the Council he had met with Mr McMillan of the Arcas Power & Light Co. & Mr. Hart of the R.E.A. and discussed matters relative to the street lights and rates. He stated they had reached an understanding relative to the adjustment of the Bonneville clause of the old contract. Mr McMillan stated the understanding and the proposal was what his Board proposed to do and explained that the proposition of the Town Council as made, was fair - and stated that any new contract to be made will have to have R E A approval, and thought they should accept the new installation as proposed and incorporate it all into a new contract.

Resolution #210

A Resolution consenting to a revision of the contract between the Town of Friday Harbor, Washington, and Orcas Power and Light Co., a Corporation, and authorizing certain betterments to the street lighting system was adopted upon motion by N. Jensen and seconded by R. Carter. Permission was granted to O.P.& L. Co. to use two lots of Price's Addition owned by the City on a temporary basis to store poles on.

Nash, Scribner and Carter were appointed as a Committee to work with O.P.& L. in making location for the new nine street Lights on Spring Street.

Streets - surfacing

Authorization was given for the oiling of Marguerite Street; for application of tack coat at intersection of Guard and Tucker Streets and for a four foot wide strip of black-top to be placed on the East margin of Argyle Avenue.

Water -

Mrs Richards appeared about her water account and read a copy of a letter dated Dec. 19, 1956, which he stated he had sent to the City in notice to cut off his water service for 2 months. He offered to pay one-half of the charge for the two months in order to settle the account. Motion by Jensen and seconded by Carter to accept this offer and the Clerk was directed to publish a Notice of Information regarding the water regulations and of the place where to deposit water turnoff slips.

Water Notice

Richards also wanted a franchise to operate a taxi line and a sight seeing business. Request was tabled until next meeting.

There being no more business to come before the Council, the Council adjourned.

Bellevue Sewer Bonds Sell For High Rate of Interest

An $880,000 sewer revenue bond issue for the Bellevue area recently sold for 5.255 per cent interest, Bellingham Comptroller Alfred Loop noted Friday.

Winning bidder to underwrite the Belevue Sewer District 30-year bond issue was Foster & Marshall of Seattle, which is Bellingham's financial adviser on its current water and sewer projects.

The bond issue was set up so as to carry 5 per cent coupons, Loop said, so it was sold at a discount—meaning the Bellevue district will not receive a total of $880,000.

Loop had a copy of the prospectus on the issue Friday. Among the interesting facts contained in the brochure:

The Bellevue Sewer District—across Lake Washington from Seattle—has about 19,500 residents in its boundaries and now serves some 1,270 individual customers.

RATES ARE HIGH

The sewer rates and charges in effect in the district are $3.50 per month for residential users, with 50 cents off for prompt payment.

The commercial sewer rate—for business, commercial establishments of small industrial firms—is $5 per month for the first 1,000 square feet of area in the structure involved, plus $1 per month for each additional 1,000 square feet.

There are "special rates" for schools, laundries, hotels and motels.

A chain grocery distribution center, now being constructed in the area, has signed a 30-year contract with the sewer district and will pay a minimum of $2,266.67 per month, or $27,200 annually. In addition to the basic charge, the firm will pay an additional monthly charge of $12.75 per each 1,000 gallons of sewage discharged into the system for any 8-hour period over and above the 94,000 gallons allowed under the minimum charge.

Some of the larger sewer users include a department store paying $159 per month of $1,908 annually, and a utility paying $92 a month or $1,104 per year.

SCHOOLS PAY, TOO

Bellevue School District pays about $1,100 a month for sewer service to [illegible] facilities in the area. The charge varies with the school population and is only for the months school is in session.

The area dumps its sewage into Lake Washington after treatment by a plant which is to be enlarged by some of the bond issue money. The area gets its water supply from the same lake.

Bellingham's recently passed sewer service charge to finance $500,000 in improvements—not including treatment plant enlargement—is $1.25 monthly to residential users, or a total of $15 annually, and a maximum of $48 a month for the largest (24-inch) metered user, or $576 a year.

Res. #216

It was, on a motion by Jensen seconded by Carter and duly passed, that Resolution No 216, a resolution approving and confirming the settlement of case of Town vs. Brown, et al, a condemnation suit, be adopted.

Mr. Geneste gave a resume of history of attempts to purchase land from Miss Brown and result. Result being the settlement of the condemnation suit out of Court. Also stated he had contacted Jim Cahail, assistant County Engineer to stake contour line of area which will be flooded by rising water. He also stated that Mr. Chin had estimated Carey & Kramer would have plans for raising the dam ready by Jan 15, 1960 and suggested Council call for bids on clearing staked area around the dam.

Mayor Lindberg brought up subject of "Need Study of Streets" and on motion by Minsch, seconded by Jenson and passed the Clerk was instructed to request Jim Cahail to make such study.

Jenson made the following motion to-wit: to call for bids combining the following points ① clearing of staked area, ② removal of overburden at base of face of dam ③ supplying of gravel ④ building & reconstructing of road to dam suitable to hauling 24000 lbs over same; bidder to be able to bid on all or seperately and Council to have the right to reject any and all bids. Also a part of motion was to get J. Cahail to prepare specifications for the proposed road improvement and building. Said Motion seconded by Alan Minsch and passed. Clerk instructed to issue call for bids.

No more business Council adjourned.

CALL FOR BIDS

Bids will be received by the Town of Friday Harbor, Washington, prior to 5:00 P.M. on Wednesday, December 16th, 1959, for the following projects:

No. 1.

To reconstruct existing road so as to be capable of sustaining a load of 24000 Lbs from a point on the County Road on the East line of the Southwest quarter of the Southeast [illegible]

57 Skagit Valley Grange Degree Team, officers and State Grange officials on Sunday, December 6.

Dinner was served at 11:30 to 125 guests and local Grange members and this was followed by exemplification of the third and fourth degree initiation on six local members with beautiful tableaus and precision marching.

It surely was a treat to witness this well trained group of young people and we do thank them for visiting our Grange.

Work is well started on remodeling our kitchen. Two new electric stoves, an electric water heater and a lovely deep stainless steel sink are being installed that will surely make serving large crowds a much easier task than what we have been enduring.

Our next regular meeting on the 15th of December will be a Christmas program but instead of an ex[illegible]change of [illegible] will be a Christ-
mas program but instead of an ex-
change of [illegible]
Next Sunday, December 13th, 2:00 to 4:00 P.M., the Grange Hall will be opened to a public reception in honor of John and Myrtle Boede's Golden Wedding Anniversary. The Fidelis Circle and the Grange invite all of the friends of this fine couple.

Orcas Island Grange Notes

Orcas Island Grange was host to

pital for surgery. Later ... he was taken to the home of his parents where he is convalescing.

Mrs. J. C. Barfoot and son, Harold, went to Anacortes Monday for dental appointments and hopeful shopping.

John Willis was a Thursday Anacortes visitor when he had to see his oculist for repair of his glasses.

Orcas Island seems to be having a number of youngsters with the measles, Pat Melvin and baby Larry at Olga.

When the Neah Bay basketball team played Orcas High Friday evening, the Toothmans, Jack Barfoot and Culver Willis families each entertained two of the boys overnight.

Reporting Thanksgiving entertainments last week we wish to add that Mr. and Mrs. Al Coffelt and Mrs. Velma Johnson and two daughters went to Mt. Vernon for the day to join all the rest of their family at the home of the Al Coffelt, Jr. family. Mr. and Mrs. Al O'Neill were with his sister and brother-in-law, Mr. and Mrs. Gene Butters and other family members at Doe Bay and Mr. and Mrs. Jack Barfoot, Frances and Harold and Pete Lindsey and Arthur Preston enjoyed dinner as guests of Orval and Irene Senff and Mrs. Helder.

Three members of the Port of Friday Harbor appeared with a request that the Town consider sharing the cost of wash house and toilet facilities for the public to be placed near the Port floats. They gave an estimation of 2000.00 as cost of the building and stated they did not as yet have a definite location. The matter was discussed pro & con.

Mr. Ringler asked approval of the Council to have Spring Street, from 1st to Argyle blocked off for the Fair Parade to be held Aug 27th - Approval granted.

Mr. Kelley stated he was not sure Blair Avenue would be ready for blacktopping.

Mr Hughes requested a spot on Front Street be patched. Request granted.

He also requested he be allowed to use Town Hall as an office and a phone be installed in Hall. The Council stated they would consider the phone installation in 1961 Budget.

Mr. Ark Chin, Engineer, presented to the council the monthly estimate of Scheumon and Johnson, contractors, of the amount due and payable at this time in the sum of $21,487.37, representing the cost of the percentage of work completed and recommended the same be paid. On a motion by Gregory, seconded by Savage and duly passed, the Clerk was instructed to draw a warrant on September 1st and mail to Scheumann and Johnson on that date, for the sum due at this time.

Warrant # 3211

There was discussion on the cracks that have appeared in the new concrete and the Council was assured by Mr. Chin that they were not at all serious and would cause no trouble, and he stated Schuemann & Johnson have agreed to repair same at no cost to the Town.

It was reported that Mr. Jeffers of Friday Harbor Canning Company stated he would pay up his water bill by the end of September. The Council decided to make some decision on revision of water rates for canneries.

Alan Minich reported on clearing of area to be flooded and stated Bud Wade was to look over the job.

The Mayor read, informally, the worksheets prepared by the Clerk, on the proposed 1961 Budget. Being only tentative figures, no action was ~~taken~~.

There being no further business, the meeting adjourned.

Myrtle A. Rosenbaum
Clerk.
