7:00 P.M.

Council met in regular session with Mayor Bourne presiding.
Councilmembers present: Rich, Morgan, Cahail & Geneste.

Minutes of the previous meetings were unanimously approved with corrections.

Dr. Dobson was present to request a variance to the Interim Zoning Ordinance to allow a duplex to be made from his garage on the corner of Tucker Avenue and Larson Street.

Mayor Bourne explained that it would take a rezoning ordinance rather than a variance to change the zoning to multi-family in that area.

Dr. Dobson also requested permission to move the White Dog to property he is purchasing from Bill Ray on Blair Avenue which is zoned for professional services and multi-family would be allowed.

Motion was made by Councilman Cahail and was seconded by Councilman Morgan to adopt Ordinance #474, an ordinance amending building code ordinance #408 and repealing Ordinance #457, an ordinance establishing building moving fees and was unanimously approved.
