

# Got junk? Kick it to the curb!

## ONE TIME only FREE PICKUP of your OVERSIZED JUNK!

The Town of Friday Harbor will help kick off your spring cleaning by picking up items too big to fit in your curbside can. This one-time service is available FREE to all **Town residential refuse customers** the week of **April 27 - May 1, 2020**.

### “What do I need to do?”

1. Make sure your items are acceptable (**see list on back**). There are no exceptions to the list.
2. Have your items at the curb by 6 a.m. on your regularly scheduled garbage pickup day the week of April 27 - May 1. Junk truck will NOT return if you miss the pickup.
3. Your regular refuse will be picked up separately as usual that day. Be sure to set these cans apart from your junk pile!

### “How much junk can I dump?”

Each household may set out the equivalent of one standard pickup truck load (approx. 60 cu. ft.). Two people must be able to lift each of your items (60 lb. maximum).

### “Any other rules?”

- Do not place items at the curb more than 2 days prior to pick up.
- Do not allow your items to block traffic, driveways, sidewalks, fire hydrants, or storm drains.
- Break down large items so they will fit within a standard pickup truck bed.
- Do not use containers that you want to keep; everything will be picked up.
- Items placed in front of empty houses will be treated as illegal dumping and will be investigated by Code Enforcement.
- The Town reserves the right to refuse items. **If items are not acceptable for pickup, you must remove them from the curb within 2 days of the scheduled pickup.**
