## Harbor Street Dump Station Access

Customer Name: \_\_\_\_\_

Phone #: \_\_\_\_\_

Mailing Address: \_\_\_\_\_

Use Type:     RV / Trailer Holding Tank     Commercial Use (Prior Approval Only)

### Dump Station Allowable Uses

RV / Trailer holding tank waste may be dumped in the Town of Friday Harbor dump station.

Commercial use will only be allowed with written documentation verifying that toxic or dangerous materials are not present. Contact Don Reitan at (360) 378-5400 or [donr@fridayharbor.org](mailto:donr@fridayharbor.org) to obtain approval prior to requesting access.

### Dump Station Charges and Method of Payment (Cash or Check Only)

A \$20.00 Key Deposit will be charged for each entry to the dump station. This deposit will be refunded to the customer once the key has been returned, if within 2 hours, but no later than 4:00pm.

A \$20.00 Dump Fee will be assessed for each connection to the dump station. This charge is not refundable.

Payment is due prior to entry of the dump station. Cash or check is accepted at the Town Hall Finance office located at 60 Second St (across from King's back parking lot). If paying with a check, customers will need to provide 2 separate checks; 1 for the key deposit and 1 for the dump fee.

### Understanding of Access

I understand that the Town of Friday Harbor's Dump Station will be open Monday-Friday 8:00am to 3:30pm; excluding federal holidays. The Town has the right to close the dump station and is not obligated to provide access outside of normal business hours.

I understand that the provided key is the property of the Town of Friday Harbor and allows access to the person completing this form only. It may not be copied or distributed. It must be returned to the Town of Friday Harbor Finance office within 2 hours but no later than 4:00pm. If not returned as stated, customers will forfeit their key deposit.

I understand that customers who utilize the dump station and do not return the key will no longer be granted access to the dump station.

I understand that the water provided at the dump station is non-potable and should not be consumed.
