## REAL ESTATE EXCISE TAX (REET)

Real Estate Excise Tax (REET) is collected on the sale of real property based on the full selling price and is distributed to the State of Washington and the Town of Friday Harbor (San Juan County Treasurer remittance). The Town levies (2) 0.25% real estate taxes that limits the use of funds for capital projects and limited maintenance. These funds must be spent only for those capital projects identified in the Town's capital improvement plan.

### REAL ESTATE EXCISE TAX (REET) - FIRST QUARTER PERCENT

Beginning in 1982, the Town imposed a 0.25% REET tax for all real estate sales. This tax is imposed by the legislative body and does not require voter approval. Revenues are restricted to specific uses based on population size and Growth Management Act (GMA) planning.

### OTHER EXCISE TAXES

#### LEASEHOLD TAX

In 1976, the State established a 12% tax to be levied on leases of publicly owned real and personal property. The rate increased to 12.84% in 1987. Cities and counties combined may collectively levy up to 6% of the 12.84%. The maximum rate for cities is 4%. If a city levies this amount, then the county can levy 2% within the incorporated areas. If a city chooses not to levy this tax, the county can levy up to 6% within the city boundaries. The Town has imposed this tax since 1976 at a rate of 4%. This tax is imposed by towns and counties; it does not require voter approval. Leasehold tax revenue is unrestricted and may be used for any lawful government purpose.

## STATE SHARED REVENUES

### CANNABIS (MARIJUANA) EXCISE TAX

The state imposes a 37% excise tax on the retail sale of cannabis, cannabis concentrates, and cannabis-infused products (RCW 69.50.535 and WAC 314-55-089) and shares some of the excise tax revenues with cities and counties, as mandated by I-502. Beginning in 2022, cities receive a percentage of the excise tax revenues (after various deductions). Previously, the excise tax distributions were fixed by legislative appropriation. Due to cannabis retailers in San Juan County, the Town receives a portion of the tax based on retail sales. There is no clear guidance on the use of these revenues. However, I-501 states that cannabis legalization will “[allow] law enforcement resources to be focused on violent and property crimes [and generate] new state and local tax revenue for education, health care, research, and substance abuse prevention.”

### CAPRON REFUNDS

Island counties and cities receive refunds of state gas taxes and motor vehicle license fees to compensate for their lack of state highways and state highway investment. The state refunds all of the vehicle license fees (RCW 46.17.350 and RCW 46.17.355) and the first 23 cents per gallon of motor vehicle fuel taxes (RCW 82.38.030(1)) directly or indirectly paid by its residents, minus the state's administrative costs of collecting the taxes and fees. The remaining revenue is then distributed to the county treasurer and split between the county and Friday Harbor based on their proportional assessed valuation.
