

TOWN OF FRIDAY HARBOR
January 2, 1969

Council met in regular session with Mayor James E. Browne, Sr., in the chair.

Councilmen present: H. Dubois, W. Erickson, L. Getz, J. Gutierrez & W. Jones.

Others present: Attorney C.C. Schmidt & Treasurer C.C. Vandersluy

The minutes of previous meeting were approved as read.

Correspondence:

Kramer, Chin & Mayo - Re: L.I.D. Assessment - Gould's Acre Addition to Friday Harbor, Tract 14, East 150' - \$652.08, Lot 3, block 6 - \$175.37 and Lot 4, Block 6 - \$230.70.

Mayor Browne requested that the Clerk contact Kramer, Chin & Mayo regarding publicity for the forthcoming meeting of Sewer LID on January 16, 1969.

Attorney Schmidt advised the Council that he had contacted Mr. George Jeffers whom had assured him that Jeffers' building would be removed from East Street by Monday, January 6, 1969.

Sheriff Erickson reported that he had received several complaints concerning dogs running loose. No decision was made on this problem.

Inasmuch as all 1968 bills had not as yet been received the meeting was adjourned to the Town Clerk's office on January 7, 1969. At this time upon motion by H. Dubois seconded by Wm. Erickson the following warrants were unanimously approved.

TOWN OF FRIDAY HARBOR
January 16, 1969

Council met in regular session with Mayor James E. Browne, Sr., in the chair.
Councilmen present: H. Dubois, W. Erickson, L. Getz & W. Jones

Others present: Attorney, C.C. Schmidt, H. Kramer & K. Grim of Kramer, Chin & Mayo and Mr. Sharp & Mr. Anderson of Farmer's Home Administration.

Minutes of previous meeting approved as read.

Correspondence

City of Cle Elum - Re: Distribution of State Funds to Cities & Towns asking for Resolution to vote for allocation on (a) per capita basis (b) present basis (c) different.

State Treasurer - Re: Distribution to Cities & Towns - Eligibility to participate in policemen & firemen portions. Not applicable to us.

A. B. Mason - Requesting water hook up to water pump at City Garage. Mayor to have Orrin Davis investigate & report.

Sesco - Requesting that Sunshine Alley be made a one way street, entering only at First Street and that parking be prohibited on Sesco property. Mayor to have Streets & Alleys Committee investigate.

Don Wilson - Requesting permission to build workshop on his Spring Street property. Attorney Schmidt had already advised Mr. Wilson that there were no restrictions to prohibit his putting up such a building.

Mayor Browne gave a resume regarding Sewer plans in the past, explaining how the cost has increased with each year of delay. He then introduced Harrison Kramer to the forty people who were in the Council Chamber for the purpose of learning of, or objecting to, the proposed LID for Sewers. Letters of objection to their assessment had previously been read from C. W. Mason and from Ross Ertter on half of himself, Francis Baker arid the Catholic Church.

Mr. Kramer introduced the three men who had come to the meeting with him and after a brief explanation of the purpose of the meeting asked for questions from the floor. One at a time each stated his problem arm asked questions. None were against the LID on the whole, but those who had existing 4" sewers were concerned about having to pay for new 6" sewers. Mr. Grim explained that 4" sewers were not adequate for future use. All at the meeting left apparently satisfied and regular Council meeting continued.

Letter read from Neil H. Twelker & Associates regarding the need for Soils & Foundation Investigation for the proposed Sewerage Program and offered to do this job for not more than \$2,500.00 unless agreed to by the Council. Mr. Kramer explained that spending this amount now would save considerable money when contractor started work. It was moved by W. Jones, seconded by Wm. Erickson that Resolution No. 260 be formed accepting the contract from Neil h. Twelker & Associates for subsurface exploration not to exceed cost of \$2,500.00. This was given First, Second and Third reading and unanimously passed.

Ordinance 361 Given First reading January 16, 1969. Given Second & Third reading January 16, 1969. Moved by W. Jones, seconded by H. Dubois that Council approve Ordinance 361 establishing LID No. 36 as outlined and proposed in Resolution No. 259. Unanimously carried.

Lawrence Getz reported that the front steps to the Town house need repair. He was advised to nave it taken care of.

Clerk asked if Librarian could have key to City Hall in order to enter Library that way rather than the steep front steps. Granted.

There being no further business to come before the Council, the meeting was adjourned.

Old Business

Mayor advised that A. B. Mason could be hooked up to water pump at City Tank and this work would be done as soon as weather permitted.

H. DuBois stated that he had talked to Mr. O'Neil regarding Sunshine Alley and would give a report at next meeting.

New Business

Neil H. Twelker & Associates have someone taking the survey of soil & sub surface.

Fire Chief Vernon Leake reported 27 Fire alarms in 1968. - 18 in town & 9 out of town. He has 23 regular volunteers. He asked if Fireman could be id \$5.00 or call instead of \$3.00. This was granted with the provision that the total money paid Volunteer Firemen did not exceed \$1,000.00 for the year.

Mr. Cox & Mr. Kelley appeared regarding their proposed Cox sub-division and 22 suite Apartment. They wanted to know if they could be included in the new Sewer LID. It was felt that this could not be done at the present, but they might connect later. They requested information as to water hookup and also wished to blast the rock that is in Carter Avenue. As they were going to Seattle they were advised to see Kramer, Chin & Mayo regarding all the above.

Mr. George Jeffers appeared regarding Ferry Parking on Last Street. He felt it would interfere with those living and having businesses thereon. Also was concerned regarding cherry tree that is in the middle of the street. Nothing definite was decided.

RESOLUION NO. 261: Moved by J. Gutierrez, seconded by L. Getz that Resolution No. 261 be formed to recommend that hereafter all state funds be divided and distributed solely upon the basis of population and no other formula. Carried.

RESOLUTION NO. 262: Moved by H. DuBois, seconded by W. Jones that Resolution No. 262 be formed to publish a Notice of Invitation to Bid upon the contract to proceed with the Sewage System Improvement Project as more particularly described in plans and specifications furnished by the Town's Consulting Engineers. Unanimously approved.

There being no further business to come before the Council the meeting was adjourned.

Manning Cox - Requesting information regarding hooking up his proposed apartments on Carter Avenue and Tucker Street to our new sewer line. Hookup cannot be made at present and no information is available until our new lines have been completed.

Manning Cox - Requesting water hookup to his new apartments. Mayor requested Treasurer to speak to Mr. Cox to determine his needs and report to Council before making any commitments to Mr. Cox on behalf of the City. Permission for water hookup is not needed, but monthly charge needs to be set.

New Business

Mayor suggested that City Attorney write a letter to the Washington State Ferries telling them that East Street is now graveled and it has been made a one way street down hill for locating the Ferry. Our low budget prohibits black topping at the present time and if Ferry feels this is necessary, their help in so doing would be appreciated. Also we have never received the signs Washington State Ferries promised us, such as No Parking, Ferry Traffic Only, etc.

Mayor also requested Clerk to write a Thank You letter to the Lions Club for their cleaning the streets in the business section of Town on February 22nd.

Mayor appointed the following committees:

Water & Lights - W. Jones, H. DuBois and W. Erickson.

Streets & Alleys - L. Getz, W. Jones and J. Gutierrez.

New Business

Mr. John Flaken appeared regarding placing of mobile home on his property on the road leading up from the water tank. As this property is in the county, no permission needed. He was advised that Council needs a written request for him to have a water hookup.

Dick Palmer appeared regarding placing of mobile home on his property in Bellevue Sub-division. He showed Council pictures of his proposed home and assured them it would be placed on a permanent foundation. After discussion it was moved by H. DuBois and seconded by Warren Jones that Mr. Palmer's proposed home will not be considered a mobile home within the definition against trailer homes as such. Carried.

Mr. Getz reported that Harbor Street needed new gravel. Mayor referred this to the Streets and Alley Committee.

Mr. Getz reported that Mrs. Fleming would be vacating the Town House soon.

Special Meeting May 9, 1969

Mayor James E. Browne, Sr., in Chair.

Councilmen Present: H. DuBois, W. Erickson, L. Getz, J. Gutierrez, W. Jones

Others Present: Attorney C.C. Schmidt, Engineer Keith Grim.

At 4 PM the Mayor called the meeting to order announcing that it was a continuation of May 1st meeting and also constituting a special meeting as more particularly described in the notice sent to the Friday Harbor Journal. Charles C. Schmidt was appointed Recording Secretary for the purpose of taking minutes. It was shown that proper notice of the meeting was given to the Friday Harbor Journal.

Mr. Grim, of Kramer, Chin & Mayo, Town's engineers, appeared and explained the steps which were considered and taken to get the project's cost down to the bid. He explained the protests on the Friday Harbor Playgrounds and the Council expressed the desire to assist the engineers in getting those protests removed.

Mr. Ross Ertter appeared concerning the protest of himself, Mr. Francis Baker and the Catholic Church. Mr. Grim allowed that the area involved could be eliminated from the project. He also indicated that the Fairground area could also be eliminated from the project. Mr. Ertter agreed on behalf of himself and Mr. Baker to waive further protests if ever a similar LID is contemplated, and also agreed to sign a recordable document containing substantially the following; "In consideration of eliminating the undersigned's portion of sewer project at this time each of the undersigned in the zone affected covenants for himself, his heirs and assigns and as a condition running their land that in the event there is ever another structure requiring a sewer erected in said zone that they will not protest the formation of a similar Local Improvement District at that time. Mr. John O'Neil appeared on behalf of the Catholic Church. Mr. Grim then recommended the acceptance of the bid as modified by the deletions.

J. Gutierrez moved, seconded by W. Jones, the adoption of Resolution No. 264 as follows; "A Resolution of the Council of the Town of Friday Harbor, Washington directing the acceptance of the bid submitted by Shaffer Engineering and Development Co., Inc. and the execution of a contract based thereon, as modified. Be it resolved by the Council and the Town of Friday Harbor,

Washington as follows; that the bid of Utilities Construction Corporation, a Washington Corporation, formerly Shaffer Engineering and Development Co., Inc. of Everett, Washington, Schedules A & B, reserving, however, the right in the Town of Friday Harbor to delete the Fairground area and Catholic Church area, be accepted, and the Mayor is hereby directed to sign a contract bases thereon for and on behalf of the Town of Friday Harbor, Washington." Resolution No. 264 was read and unanimously approved

H. DuBois moved and J. Gutierrez seconded, the adoption of Resolution No. 265 fixing the time and place for a hearing on the assessment roll as follows: "A Resolution of the Council of the Town of Friday Harbor, Washington, fixing the time, date and place for a hearing on the assessment roll of Local Improvement District No. 36 of the Town". The hearing to be held in the Council Chambers at the Town Hall, Friday Harbor, Washington, at 7:00 pm Pacific Daylight time on June 19, 1969." Resolution No. 265 read and unanimously approved.

The matter of assistance in the removal of the Friday Harbor playground protests was again discussed and the Clerk was requested to mail a letter to each of the protestors to lift their protests to the Corps of Engineers.

There being no further business to come before the Council the meeting was adjourned. Approved.
