The following resolution regarding water rates
was introduced by Madden:

WHEREAS, on the 8 day of June, 1915, the Town Council
of the Town of Friday Harbor, did upon motion duly passed, establish a
schedule of water rates for the water system belonging to the Town of
Friday Harbor; and

WHEREAS, the water rates as established at said time do not pro-
vide sufficient income for the maintenance and repair
of the said water system; and

WHEREAS, it is necessary at this time to increase the revenue
produced by said water system in order that the expense of maintaining
and improving said system may be paid; and

WHEREAS, it is necessary from time to time to amend and make
new rules and regulations governing the use of water furnished by said
water system, to meet the then existing conditions,

NOW THEREFORE, Be It Resolved, that all rates formerly establish-
ed be declared Null and Void and of no further effect;

Be It Further Resolved that the water committee, a standing
committee of the Town Council of the Town of Friday Harbor, be empowered
to make and establish all water rates for water service from the town
water system, subject to appeal to the Town Council by any dissatisfied
water user, which appeal must be made in writing and filed with the Town
Clerk, and the Council shall take action thereon within 30 days from the
date of the filing of said appeal.

That the water committee shall file with the Town Clerk within
15 days after the passage of this resolution, a schedule of rates to be
charged to water users, which new schedule shall become effective on
the 1st day of January, 1927.

Be It Further Resolved, that the Water Committee shall have power
to make rules and regulations governing the use of water from time to ti-
as shall in its judgment be for the best interests of the Town, and appe-
from any such regulations shall be made to the council in the same manne-
as provided in appeal from rates established.

ORDINANCE NO. 422

SECTION 2. Said Taxp does hereby propose, adopt and specify as an integral part of the plan or system for the constructing and extension of said waterworks system and for the purpose of providing funds to pay therefor, that it shall issue its general coupon interest bonds in the principal sum of \$30,000 bearing interest at a rate not exceeding 5% per annum payable semi-annually, payable by general levy of taxes, and \$50,000.00 in special water revenue bonds, bearing interest at a rate not exceeding 6% per annum, payable, both principal and interest solely from a special fund designated as "Friday Harbor Waterworks Special Bond Fund", as hereinafter created. Said General bonds to be in denominations of \$500.00 each, numbered from 1 to 60 inclusive, the various annual maturities commencing with the second year after date of issuance and ending twenty years after date, and shall, as nearly as practicable, be in such amounts as will, together with the interest on all outstanding bonds, be met by equal annual tax levy for the payment of said bonds and interest. Said issue of special water revenue bonds shall be in denominations of \$1,000.00 each numbered from 1 to 50, inclusive, and mature serially in from 25 years from date, as follows:

6 to 25 years from date, as follows:

[illegible]

one of the "big boys" of the underworld, who has been known to the police for many years, and who has been known to the police for many years, and who has been known to the police for many years.

SECTION 5.

All of said bonds, both general and special, to be payable, both principal and interest, at the office of the Town Treasurer of said Town of Friday Harbor or at the fiscal agency of the State of Washington in New York City, at the option of the holder, and shall bear such date and be in such form as the board of directors may from time to time determine by ordinance prescribe.

SECTION 3. That there be and there is hereby created a special fund to be known as "Friday Harbor Waterworks Special Bond Fund", which fund shall be drawn upon for the sole purpose of paying the interest and principal of said special revenue bonds and so from and after the date of said special revenue bonds and so long as any of the same are outstanding and unpaid the Town Treasurer shall set aside and pay into such fund, at least thirty (30) days prior to the respective dates on which the interest or principal and interest of said bonds shall become due and payable, certain fixed amounts out of the gross revenues of said municipal waterworks system, including all

revenues or earnings. There shall be included in the annual report, betterments and extensions thereto, equal to the additions, betterments and extensions thereto, equal to the respective amounts of interest or principal and interest, as the case may be, next falling due. Said gross revenues are hereby pledged to such payments, which shall constitute a charge upon all of such gross revenues, prior and superior to all other charges whatsoever, including charges for maintenance and operation. In creating such special fund, said Town hereby declares that it has exercised due regard to the cost of maintenance and operation of said waterworks system; that no portion of the revenues of said system have been previously pledged for any other indebtedness; that the gross revenues to be derived from the operation of said waterworks system,

Section 609(a)(1) provides that the payment

Town Council shall be authorized to issue bonds for the purpose of raising money to pay the interest on the bonds of the Town of Friday Harbor, and to permit the setting aside into said special fund amounts sufficient to pay the interest and principal of the bonds hereby authorized as the same fall due. Said Town hereby irrevocably binds and obligates itself not to sell, lease or in any manner dispose of said waterworks system, or any additions, extensions, or betterments thereto, until all such bonds, with interest thereon, shall have been fully paid, and said Town hereby covenants and agrees to and with the holders of each and every of said bonds, in the event said bonds or any portion thereof, be issued, to maintain in good condition and operate said waterworks system, and to establish and maintain rates and charges for water sufficient to produce the gross revenues required to meet the obligations of said Town as herein set forth.

SECTION 4. There shall be included in the annual tax levy of said Town of Friday Harbor a tax upon all of the property in said Town sufficient in amount to pay the interest on said issue of general bonds herein provided as the same may become due, and sufficient to provide a sinking fund for the payment of the principal of said bonds as the same mature, and there is hereby created and established a special fund to be called "Friday Harbor General Water Bond Fund", into which fund such taxes so levied shall be paid, and no part of such taxes so levied and paid into said fund shall be used for any other purpose than in the payment of principal and interest on said general water bonds, and the full faith, property and credit of said Town are hereby irrevocably pledged for the collection and levy of said taxes and the payment

...of the principal and interest of said general bonds.

SECTION 5. That at the general election to be held on November 6th, 1928 there shall be submitted to the qualified voters of said Town for ratification or rejection, the system or plan herein proposed, specified and adopted, for the constructing and maintenance of said waterworks system and the issuance of general and revenue bonds to pay therefor. At such election the polls shall be open from eight o'clock A.M. until eight o'clock P.M. Notice of said election shall be given as required by law. Said election shall be conducted by ballot and the Town Council shall by resolution hereafter prescribe the form of ballot, designate the polling places, and appoint the officers of election.

SECTION 6. This ordinance shall take effect and be in force from and after 5 days after its passage, approval and publication.

Friday Harbor, Wash. Dec. 23, 1929

Council met in special meeting pursuant to written call of Mayor Paxson, and Council men Loring, Bell, Perry and Nash, who were present.

Notes of special meeting and union read and filed.

Bell moved that the consensus of this meeting is that it will be advisable to augment the present municipal water system by such equipment as would permit of the storage of some of the water from Lawson's creek, provided however that the charge therefor shall be charged against the 1930 budget and shall receive the approval of the 1930 council, and as there is such limitation any action of the special committee appointed at the last meeting, and which committee is continued, will be a proper act.

Seconded by Loring.

Roll call requested by Mayor Paxson. The following voting "Yes" Loring, Bell, Perry, Nash.

Council adjourned.
